

30MM M788 TP

MEDIUM CALIBER

MUNITIONS | **MEDIUM CALIBER**

The 30MM M788 TP is a training round ballistically matched to the M789 HEDP live round. These rounds are currently in use primarily on the M230 Chain Gun found on the AH-64 Apache, but has also seen recent use in multiple integrations of the M230LF as in the MAWS, L-ATV LRV, Slinger, Stryker AI M-SHORAD, and AGT. The M788 is a low-cost alternative for target practice purposes.
