

PENETRATOR

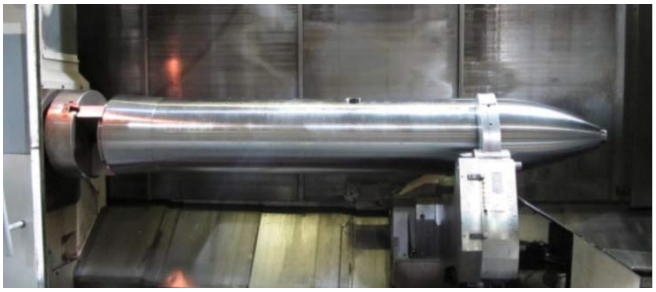

Bomb Hardware

BLU-109

MUNITIONS | **AIR DELIVERED MUNITIONS**

Paligen Technologies is a qualified manufacturer of BLU-109 penetrator bomb bodies conforming to the U.S. Department of War Technical Data Package. We provide the U.S. Air Force and the U.S. Navy with various configurations of similarly constructed 500lb, 1000lb and 2000lb MK-80 Series Bomb Bodies for both tactical and training applications. Paligen Technologies provides qualified bomb component hardware for the new U.S. Insensitive Munition series bombs.
